DIAGNOSTIC ARENA

○ **Answer 10 questions in the diagnostic arena**
The Real-Time Diagnostic will reveal your levels in six math strands and four language arts strands as you answer a few questions.

○ **Check out your diagnostic stats**
Which strands are your strongest and weakest? (You may need to keep diagnosing to narrow down your levels.)
_____

Hint! *How do I make my levels go up?*
Work on your recommended skills, and visit the diagnostic arena weekly to show what you've learned.

RECOMMENDATIONS WALL

○ **Pick a recommended skill**
Your wall shows a huge selection of skills chosen just for you. Which skill looks most interesting?
_____

○ **Answer 10 questions**
You'll also see recommended skills as you practice! If you get stuck, check out the supporting skills at the bottom of the page.

Hint! *Which recommendation do I pick?*
There's no wrong choice—it just depends on your goals. Pick from 6 types: Try something new, Work it out, Keep at it, Go for gold, Next up, From the diagnostic arena.

SKILL LIST

○ **Pick a skill from Math or Language arts**
There are hundreds of skills that you can learn. Which skill did you choose?
_____

○ **Reach a SmartScore of 70**
Questions will become increasingly challenging— answer them correctly to increase your SmartScore! If you get one wrong, be sure to learn from the explanation.

Hint! *Do I need to get to 100?*
If you reach a SmartScore of 100, you've achieved mastery! But you also can finish a skill earlier—80 or 90 are great goals to set.
